# DESIGN STYLE RESULTS

*If you chose mostly A's...*

## Your style is **Farmhouse!**

You lean towards a farmhouse style when you decorate your home. You love organic and imperfect wood textures, casual appearances and most importantly a warm and cozy environment. Chances are you know who Joanna Gaines is and you might be her number one fan!

*Some of your favorite textures may include:*

shiplap, antique brass, iron, and vintage white stained furniture.

*If you chose mostly B's...*

## Your style is **Coastal!**

Your heart belongs to the sea! You tend to gravitate to colors that remind you of the sand, water and beautiful blue sky when you decorate. Chances are your dream would be to max out a credit card at Serena and Lily.

*Some of your favorite textures may include:*

driftwood, wicker, linen, white painted wood, and weathered shaker siding.

*If you chose mostly C's...*

## Your style is **Traditional!**

I'm sure this doesn't come as a surprise! You tend to love a tried and true design most. You decorate with classic style, pieces that remain timeless and look sophisticated. Chances are your favorite magazine would be Traditional Home.

*Some of your favorite textures may include:*

ticking stripes, tufted fabric, brass, historic details.

*If you chose mostly D's...*

## Your style is **Modern!**

You are a modernist in a modern world! You tend to love sleek, clean lines that make a bold statement most. You're also not afraid to do things a little differently when it comes to decorating, but you also keep things minimal. Chances are you dream of owning a modern escape with an infinity pool nestled on a cliffside in California.

*Some of your favorite textures may include:*

cement, chrome, black metal, chestnut wood, and sleek surfaces.

*If you chose mostly E's...*

## Your style is a mix of **Bohemian & Global!**

You are a free spirit and you're not afraid of texture and color. Your home decorating is probably reminiscent of a dreamy eclectic escape and you dream of living in Joshua Tree surrounded by all the succulents. When it comes to comfort, you're happiest lounging on some floor pillows and swinging in a hanging rattan chair. You are anything but a traditionalist when it comes to your seating.

*Some of your favorite textures may include:*

African mud cloth, shag rugs, seagrass, rattan and macramé.

*If you chose mostly F's...*

## Your style is a mix of **Industrial & Rustic!**

You tend to lean towards rustic and industrial elements when you design a space. You know just the right balance of cozy and lofty designs. You aren't afraid to use rough surfaces when decorating. Chances are if you could choose to live in a mountain cabin or lofty urban building your heart would be content. If anyone needs you, you can be found curled up by the stone fireplace on a cold night.

*Some of your favorite textures may include:*

Steel beams, exposed brick, logs, rich leather, and lofty spaces.
